

TOYOTA HILUX

Parts and Accessories

 **DEFINED BY EXTREMES,
DESIGNED FOR THE ROAD.**

ACCESSORIES

76mm A-BAR (BLACK / POLISHED)

RRP: £347.00 | Dealer Price: £294.95

The Arctic Trucks branded 76 mm stainless steel A-Bar is designed to complement the impressive road presence of the Toyota Hilux AT35, whilst protecting it against knocks and bumps.

Attached below the front bumper, it meets the requirements of the relevant EC directives and allows for secure mounting of additional lighting.

Features:

Laser-etched Arctic Trucks 'horizon' logo

High quality stainless steel

Available in black
or polished finishes

Protect the front of your
4x4 or pickup from damage

Easy to fit. No drilling required

76mm SPORTS BAR

(BLACK / POLISHED)

RRP: £540.00 | Dealer Price: £459.00

The Arctic Trucks branded 76 mm stainless steel Sports Bar is designed to enhance the impressive road presence of the Toyota Hilux AT35, thanks to its sporty and aggressive style.

This Sports Bar is specially designed and manufactured to work in conjunction with the Arctic Trucks Truxedo Load Cover and is easily mounted on four “feet” bolted firmly to the edges of the vehicle load bed.

This stylish addition to your Arctic Truck also allows for secure mounting of additional lighting to your vehicle.

Features:

Waterjet cut Arctic Trucks logo

High quality stainless steel

Available in black or polished finishes

Useful for mounting additional vehicle lighting

Compatible with Arctic Trucks Truxedo Load Cover

76mm LIGHT BRACKET SET

(BLACK / BRUSHED STAINLESS)

RRP: £58.08 | Dealer Price: £49.37

These high quality stainless steel light brackets feature the Arctic Trucks ‘horizon’ logo and are available in black and brushed finishes. They are designed for securely fitting Canon Light Kits to the Arctic Trucks A-Bar or Sports Bar.

Features:

Laser-etched Arctic Trucks logo

High quality stainless steel

Available in black or brushed finishes

Useful for mounting additional vehicle lighting

Dimensions:
76mm

VISION X 4.7" & 6.7" LED CANON LIGHT KITS (SINGLE & MULTI-LED)

(4.7") RRP: £512.68 | Dealer Price: £435.78 (6.7") RRP: £923.21 | Dealer Price: £784.73

The most powerful and versatile off-road LED lighting system. These latest Arctic Trucks-branded Vision X Canon Lights are available in 4.7" and 6.7" sizes. Each is available in a Single LED (focused distance output) or Multi-LED (maximum light output) version to shine the light exactly where you need it.

Multi LED Light Cannons: The ultimate light for blasting through the night with a powerful broad driving beam pattern and outstanding medium distance lighting coverage.

Single LED Light Cannons: The industry-leading Luminous Big Chip LED and Iris Reflector throws a violent blast of light that penetrates the night up to 3,500 feet. If you need superior distance from your lighting, this is the solution.

Features:

Arctic Trucks & Vision X branding, to complement your Toyota Hilux AT35

Advanced circuitry and aluminium heat sink design ensures maximum light output during sustained periods of use

Deutsch connectors ensure Light Cannon the functionality even in the harshest conditions

Steel trunnion mount provides 45° of lighting adjustment and secured by a robust 4-bolt locking system

The IP-68 / 69K certified housing ensures a water tight seal even when completely submerged

LUMEN OUTPUT COMPARISON

DISTANCE OUTPUT COMPARISON

VISION X 36 LED LIGHT BAR 21"

RRP: £838.75 | Dealer Price: £712.94

Since the Xmitter Prime Xtreme LED Light Bar was first launched, it has held the title of "most raw lumens per inch".

With high output (5W XP-G2) Cree LEDs pumping out nearly 1,000 raw lumens per inch, the Xmitter Prime Xtreme is unmatched in terms of effective power and performance.

Features:

Arctic Trucks & Vision X branding

Unbreakable polyurethane lenses with luminous AT logo

Dual Row LEDs: For extreme output

Mixed Beam: 10°/40°

The IP-68 rated housing ensures a water tight seal, even under the toughest conditions

Comes standard with a dimmer wire that allows you control the intensity of the light

Performance:

119,008 Lumens

180 Watts

15 Amp Draw (@12v)

Dimensions: 52.3 x 8.4 x 9.5 cm / Weight: 4.8 kg

LARGE DOOR GRAPHICS

RRP: £110.00 | Dealer Price: £88.00

This pair of large Arctic Trucks Door Graphics, featuring the AT 'horizon' logo, are designed to enhance the presence of your Toyota Hilux AT35 on the road.

Features:

Durable, weather resistant vinyl

Available in pewter, black, white or Arctic Trucks blue

BONNET DEFLECTOR (DARK SMOKE)

RRP: £82.08 | Dealer Price: £69.77

Avoid mud splashes and keep your windshield cleaner with this stylish Arctic Trucks branded Bonnet Deflector.

Fits easily with clips and strong, transparent adhesive tape. No drilling is required.

Features:

Dark Smoke finish

Protect the front edge of your bonnet

Keep your windshield cleaner during off-road adventures

CAR MATS

RRP: £105.00 | Dealer Price: £89.25

These Arctic Trucks ruggedized non-slip car mats are among the best on the market today.

Featuring a durable, waterproof, anti-skid surface which is extremely easy to clean, these mats perform as good as they look.

This complete front and rear set features Arctic Trucks 'horizon' badging, and is shaped specifically to fit your vehicle, for maximum interior coverage and protection during your off-road adventures.

Features:

Durable, waterproof, non-slip surface

Complete set, shaped specifically for your vehicle

Superior coverage and protection. Easy to clean

WIND DEFLECTOR SET (DARK SMOKE)

RRP: £65.32 | Dealer Price: £55.52

Whether for styling or improving in-car comfort while at speed, these Wind Deflectors are a great solution for your Toyota Hilux AT35.

Fits easily with strong, transparent adhesive tape. No drilling is required.

Features:

Dark Smoke finish

Complete set for front and rear windows

Reduce open-window wind noise and turbulence at speed

Easy to fit. No drilling required

FRONT UNDER VEHICLE PROTECTION

RRP: £351.00 | Dealer Price: £315.90

This Arctic Trucks branded Under Vehicle Protection, in durable 6 mm aluminium, protects your engine sump and gearbox, while adding the finishing touch to the look of your Toyota Hilux AT35.

Pre-drilled and bent ready for mounting as a bolt-on, vehicle-specific kit.

Features:

Strong and durable 6 mm aluminium

Waterjet cut Arctic Trucks 'horizon' logo

Protect the front underside of your vehicle while off-road

TRUXEDO LOAD COVER

RRP: £550.00 | Dealer Price: £467.50

The premium Arctic Trucks Truxedo Load Cover is a smooth fitting top-mount, roll-up cover, which is designed to protect the contents of your load bed from the elements, while maintaining the original styling of your Toyota Hilux AT35.

This extra-low-profile load cover features the Arctic Trucks branding, superior-grade matte black fabric and is equipped with easy to operate with pre-set tension control and bows that conveniently roll up within the cover, for maximum flexibility. It also comes with an industrial strength hook-and-loop system that provides continuous contact between the rails and the cover in all climates.

OFF-ROAD / SPECIALIST PARTS

ARB DIFFERENTIAL AIR LOCKER (FRONT)

RRP: £809.00 | Dealer Price: £687.65

The ARB Front Air Locker will enhance the traction of your Arctic Trucks Toyota Hilux AT35 in just about any terrain, whether it's rock, clay, gravel, sand, mud or snow.

Featuring a state-of-the-art two-piece design and forged gears, for the ultimate in strength and durability.

Supplied as a complete air locker kit, including replacement differential, activation switch, solenoid valve, airline and bulkhead fittings.

Note: Installation requires CKMA12 Air Compressor (operates up to 2 air lockers).

ARB HIGH PERFORMANCE 12v AIR COMPRESSOR (FOR DIFFERENTIAL AIR LOCKER)

RRP: £229.00 | Dealer Price: £194.65

This high performance 12v air compressor is small enough to fit into the tightest space and quiet enough to mount in the vehicle cab.

Includes a full wiring loom with air locker solenoid plug-in contacts, mounting hardware with reinforcing bracket and quality compressor isolating switch.

With the addition of ARB Pump-Up Kit (part #171302), this compressor can also be used to activate air lockers and perform other functions, such as inflating tyres, camping and leisure gear

FRONT RECEIVER HITCH

RRP: £320.00 | Dealer Price: £272.00

The Arctic Trucks Front Receiver Hitch is specifically designed to mount firmly to the front of your Toyota Hilux AT35, while remaining flush with your front bumper.

The 2" opening provides an ideal solution for quick and easy mounting and removal of specialist off-road

equipment, such as winches and recovery hooks, while retaining the aesthetic appearance of your vehicle when not in-use.

Bolts directly to the vehicle's front chassis with supplied fitting hardware. Minimal modification to the vehicle's front bumper required.

WINCH CRADLE (FRONT / REAR)

RRP: £250.00 | Dealer Price: £225.00

This Arctic Trucks Winch Cradle is designed specifically to fit the Arctic Trucks Front/Rear Receiver Hitches, allowing secure installation and quick, easy removal of the entire winch assembly when not in-use.

Made of durable, black powder coated steel. Featuring waterjet cut Arctic Trucks logo, to complement your Toyota Hilux AT35.

RECEIVER HITCH COVER (FRONT / REAR)

RRP: £14.00 | Dealer Price: £9.80

This Arctic Trucks Receiver Hitch Cover features a molded AT 'horizon' logo and installs into the Front/Rear Receiver socket, to prevent dirt and moisture ingress while not in-use.

A great way to complete the look of your Toyota Hilux AT35.

TOW BALL COVER

RRP: £12.00 | Dealer Price: £8.40

Even small details matter. With this Arctic Trucks branded 50mm tow ball cover your Toyota Hilux AT35 will look great, and your tow ball will be protected from the elements.

COMEUP DV-9.5rsi WINCH KIT

RRP: £998.93 | Dealer Price: £948.98

The result of close collaboration between Arctic Trucks and ComeUp Winches, the DV-9.5rsi is a severe duty wound motor winch, equipped with a thermal protection switch and rated at 9,500lb pulling. It features a 12 strand synthetic rope, coated to improve abrasion and eliminate water absorption, while the patented mechanical cone brake outside the drum expedites heat dispersion and makes the winch ideal for use with synthetic rope.

16 equally-positioned pin holes with stainless steel ergonomic T-handle, allow it to be repositioned in 22.5 degree increments.

Can be equipped with a wired water-proof remote control, or digital signal two-way wireless remote control.

TOW BALL FOR RECEIVER STYLE HITCH (FRONT / REAR - 25mm)

RRP: £220.00 | Dealer Price: £176.00

This 50 mm tow ball is compatible with 2" Front/Rear Receiver Hitches and has a 3,500 kg towing capacity.

The ball itself is lowered by 25mm, to compensate for the increased height of your Toyota Hilux AT35.
